

Get Your \$500 Education/Training Grant!

Dear CWA Canada members,

Every year, CWA Canada budgets money for education and mobilization so that our Locals can provide you with opportunities to expand your knowledge and skills or to become more involved in the union.

This year, due to COVID-19, Locals have not been able to provide in-person education, training or events.

To remedy this, we have decided to use our budget to provide 50 members with up to \$500 each to spend on an education or training course (university, community college, online, or the like).

Please also note that as a CWA Canada member, you are entitled to free registration in any of thousands of online courses offered by Lynda.com / LinkedIn Learning. Just ask your Local for details on how to register.

Since only 50 grants are available, they will be approved on a first-come, first-served basis. All requests must be submitted by March 31, 2021.

To apply for the grant, email CWA Canada Office Co-ordinator Marj Botsford: mbotsford@cwa-scacanada.ca

Please provide your name, personal email address, a contact number, the name or number of your Local, the name of the course and institution, and a one-line description of the course.

Once approved, you can register for your course and you will just need to provide proof of payment to be reimbursed to a maximum of \$500.

In solidarity,

Martin O'Hanlon
